

What's Happening in Trubyville

Weekly Newsletter September 18, 2009

Nothing great was ever achieved without enthusiasm - Ralph Waldo Emerson

Aspire

TIS Homecoming

Tonight is the big night, Homecoming at TIS. Students wanting to attend the festivities should be at the track by 3:45 and ready to celebrate.

Show that Panther Pride!!! Wear your Panther clothing and show your spirit in the parade. Hope to see everyone there!

Interim Grades

Next week using My Backpack interim grades will be posted showing how your child is doing in school so far. Realize that these grades are not set in stone. Your child can either work at raising a grade or maintaining the current ones.

Also included will be comments about your child's behavior and work skills. If nothing is checked your child is doing great!

Keep your child reading.
Students need 16 AR
points every 9 weeks.

My AR Points So Far:

Zoo Field trip

We are planning on going to the zoo October 6 from 9:30 - 2:00. Students will need to bring a sack lunch. We will need drivers.

Pocket Person Project

We have some amazingly fabulous Pocket People hanging in the 5th grade hallway.

Overall, the students really embraced this project and learned a lot of information about a famous explorer.

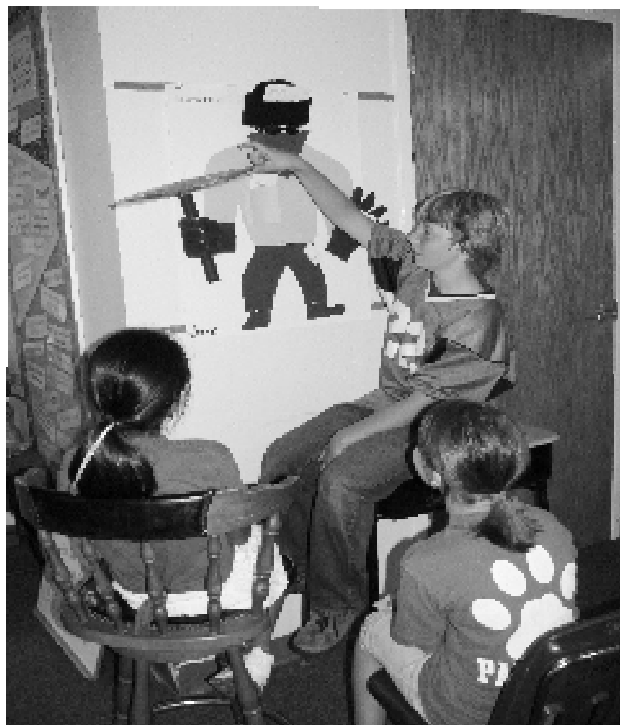

Check out Trubyville 3 for more information and photos on each explorer. If you get a minute, stop by the 5th grade wing and see these great projects.

Math

We are cruising right along in our math book. We will be ready for another test next Thursday over Lessons 11-15. Students are welcome to take their math book home for additional practice if needed.

Science

We will complete another experiment next week where we will make crystals from Borax soap. YEAH!!

Garnett is sharing his Pocket Person with Cami and Drue.
